## Schedule your Initial Health Appointment within the next 120 days!

Research shows that just **having** a Health Appointment can make you healthier! Scheduling your health appointment is a great first step toward better health.

### Why is your health appointment so important?

#### 1. You may not have seen a doctor in a while.

This is your chance to get preventive care services to help you stay healthy.

#### 2. Your health changes from year to year.

Having a physical every year is a great way to catch health problems before they get serious.

#### 3. Your doctor can help you manage serious health conditions.

That means finding treatment to help you feel better, so you can enjoy life more.

### Need a ride? We can help!

Keep your plan for better health by scheduling a no-cost transportation to and from every health care appointment. This includes:

- Medical appointments
- Dental appointments<sup>1</sup>
- Dialysis and other ongoing care
- Medical equipment pick up
- Therapist (including substance use help appointments)
- Specialist appointments
- Hospital discharge

Call Member Services to schedule a no-cost ride.

Call your doctor today to schedule your health appointment! Your doctor's name and phone number are listed on your member ID card.

### When to start using your benefits

Your member ID card lists your start coverage date.

### Where is my member ID card?

If you do not get your ID card after ten business days from the date of enrollment or the date the ID card was requested, please call Member Services toll-free, 24 hours a day, 7 days a week.

<sup>1</sup>Dental applies to residents of Los Angeles and Sacramento.

# 2 Help Us Help You!

## FILL OUT THE HEALTH INFORMATION FORM

*Health Net has special programs and services for Medi-Cal members just like you.*

When you fill out the Health Information Form, you're sharing your medical history and details about how you're feeling. All this helps us give you extra care or services when you need them.

We're also here to talk when you feel stressed, or need help with things like medicines and special health needs.

### Follow these three easy steps

#### 1. Fill out the form.

Please try to answer all the questions. If you need help filling out the form, call Member Services.

#### 2. Put the form in the enclosed envelope.

You don't need stamps.

#### 3. Mail the form.

Good for you! Sending in your form is the first step toward getting the right health care for you!

# 4 Set up Your Online Member Account

## Explore your benefits

You'll find a wide range of information, tools and resources at [www.healthnet.com](http://www.healthnet.com) for fast and easy access online. Once you set up your online account, you can:

- Download your ID card to your phone or print a copy.
- Find a doctor, urgent care center or hospital in your network.
- Review your health plan benefits.
- Access programs to help manage your weight or stop smoking.
- Update your information.

## Follow the steps below to create your account

1. Find your member ID or social security number. Your member ID is on your ID card.
2. Go to [www.healthnet.com](http://www.healthnet.com).
3. Click Log In/Register.
4. Follow the instructions on the screen.

# 5 Find Your Primary Care Physician

Your primary care physician (PCP) is your doctor.

We have doctors who:

- Have convenient office hours
- Can take care of you – or you and your whole family
- Understand your unique cultural needs
- Speak your preferred language

Your doctor is your partner in health. They're there to listen, give advice and help. Choosing the right doctor can make a big difference in your health.

If you need to choose a new doctor, here are some things to think about:

**Is the doctor part of your network and taking new patients?**

Call Member Services to find out. You can also visit our website at [www.healthnet.com](http://www.healthnet.com) and click Find a Provider.

**Note:** If you had a doctor before you became a Health Net member, and that doctor is not in our network, you may be able to keep seeing them for a limited time. Please call Member Services to speak to them about your specific situation.

**How easy is it to get an appointment?**

Make sure they offer appointment times that work for you. For example, you might need to come in to see your doctor before or after work or on weekends.

Think about where the doctor's office is located.

- How long will it take you to get there, from home or work?
- Is it easy to find parking?
- Can you take a bus or train?

Need a no-cost ride? If getting to any doctor or dental<sup>1</sup> appointment is problem, our no-cost ride service can help. To arrange a no-cost ride, call Member Services.

<sup>1</sup>Dental applies to residents of Los Angeles and Sacramento.

## Does this doctor offer online tools and phone or video visits?

Patient portals and apps can make it easy to:

- Email your doctor
- Check lab results
- Make online appointments
- Refill prescriptions

With phone or video visits, you can talk to a doctor from the comfort of your home.

## Does this doctor meet your specific needs?

Think about what you're looking for in a doctor:

- Would you like to see a doctor who understands your culture and speaks your language?
- Do you want doctors who can take care of you and your family at the same location?
- Do you need to see a specialist or need care for special health issues?

The right doctor can help you and your family stay healthier. So, before you choose a new doctor, get the answers you need.

## Your annual wellness exam

A yearly checkup with your doctor helps you stay informed about your health. You can share changes you've noticed and bring up any health concerns. Your doctor can help you make a care plan to help you stay healthy. And, it's an ideal chance to ask questions about your health or about your medications. Call to set up your first visit and wellness exam.

## Change your doctor

If you didn't choose a doctor when you enrolled, we chose one for you. If you'd like to change your doctor, give us a call.

# 7 Where to Go for Care

YOUR PLAN OFFERS A VARIETY OF WAYS TO GET THE CARE YOU NEED, WHEN YOU NEED IT.

## At a doctor's office

### Your doctor

Go to your doctor for routine and preventive care. This includes annual wellness exams, illness, immunizations, and general medical care.

### Other in-network providers

Get care from other doctors, specialists or providers (like urgent care or hospitals) in your network. To find a doctor in your network, visit [www.healthnet.com](http://www.healthnet.com) and click on the "Find a Provider" link.

### Mental health services

Your plan includes coverage for:

- Counseling.
- Psychiatric services.

You don't need a referral from your doctor.

Find a therapist or psychiatrist at [www.healthnet.com](http://www.healthnet.com) and click Find a Provider. You can also call Member Services and select Behavioral Health.

## At home

### Anytime video appointments

Can't meet with your doctor or need help when their office is closed? Use telehealth services for online video visits with a board-certified doctor 24 hours a day, 7 days a week. Telehealth services offers an easy option for non-emergency care. Telehealth doctors can prescribe medications when necessary. Your telehealth services contact information is listed on the back of your member ID card.

### Anytime phone appointments

If you want to get mental health or substance use disorder services through a video or phone appointment please call Member Services and select Behavioral Health.

### Nurse Advice Line

For real-time support to help understand symptoms and determine the level of care needed, call our nurse advice line and speak to a clinician 24 hours a day, 7 days a week. The telephone number is listed on the back of your member ID card and below.

## In a clinic

### Urgent care centers

Get same-day care for non-emergency, non-life threatening illnesses or injuries. Many urgent care centers now offer X-rays and lab tests.

Visit [www.healthnet.com](http://www.healthnet.com) and click "Find a Provider" to find an urgent care center near you.

**Note: Go straight to the nearest emergency room or call 911 if you have an emergency.**

**Emergency care is for life-threatening medical conditions or severe accidental injuries.**

For help, call Member Services toll-free at 1-800-675-6110 (TTY: 711), 24 hours a day, 7 days a week.

# 8 How to Get Care

## USING YOUR BENEFITS

*We want to make sure you're set up to start using your benefits right away. There are still a few things you have to do, so let's get started!*

### 1 Check your coverage start date

Your member ID card lists your coverage date. If you haven't received your member ID card in the mail, contact Member Services or find your coverage date online.

### 2 Confirm your doctor

Take a minute to make sure the right doctor is listed on your member ID card. If you need or want to choose a different doctor, you can. You always have a choice!

If you don't want to keep the doctor listed on your card, contact Member Services.

### 3 Make an appointment with your doctor

You need to see your doctor within 120 days after your coverage starts. To make an appointment, call your doctor's office at the number listed on your member ID card.

If getting to your appointment is an issue, our no-cost ride services can help! Call Member Services to schedule a no-cost ride.

### 4 Ask questions and get answers

During your first appointment, your doctor will do a health assessment to help understand your medical history and any health concerns you may have. This is also the perfect time for you to ask questions.

#### Contact us when you need to:

- Confirm your doctor.
- Make an appointment.
